### Event Summary

Netaji Subhas Medical College & Hospital, Amhara, Bihta, Patna organized a Motivational Session on 11th April 2026 with active participation from faculty members, students and staff. The session was conducted to inspire students and encourage them to remain focused, disciplined and committed towards their academic and professional goals.

The invited speaker shared valuable thoughts on motivation, dedication, positive attitude and continuous learning. The session provided meaningful guidance to students for facing academic and professional challenges with confidence and responsibility.

# Detailed Event Report

## Motivational Session - Netaji Subhas Medical College & Hospital

### Objectives of the Programme

- To motivate students to pursue academic excellence with discipline and dedication.
- To encourage positive thinking, confidence and responsible conduct among future healthcare professionals.
- To highlight the importance of continuous learning, perseverance and professional ethics in medical education.
- To promote holistic development through value-based guidance and meaningful interaction.

### Key Activities Conducted

- A motivational address was delivered for students, faculty members and staff.
- The speaker shared practical thoughts on dedication, focus, confidence and self-development.
- The programme included interaction with the audience, creating an engaging and encouraging environment.
- Felicitation moments were held to acknowledge the dignitaries and make the event memorable.

### Outcome and Impact

The session helped students understand the value of hard work, discipline and a positive attitude in their academic and professional journey. It encouraged them to stay focused on their responsibilities and continue developing the qualities required for compassionate and competent healthcare service.

The event also reflected the institution's commitment to academic excellence, holistic development and value-based education. Such sessions contribute to building confidence, leadership qualities and professional maturity among students.

### Conclusion

The Motivational Session held on 11th April 2026 at Netaji Subhas Medical College & Hospital was an inspiring and meaningful programme. It successfully conveyed the importance of motivation, perseverance, discipline and professional values in shaping future healthcare professionals.
