

NETAJI SUBHAS INSTITUTE OF TECHNOLOGY

APPROVED BY AICTE, NEW DELHI AND DEPT OF SCIENCE & TECHNOLOGY, GOVT. OF BIHAR
AFFILIATED TO BIHAR ENGINEERING UNIVERSITY, PATNA
AMHARA, BIHTA, PATNA-801106

Name of the Event: Faculty Development Program on “Semiconductor Devices, Fabrication & Layout Design”

Organized By: IQAC & Electronics & Communication Engineering Department

Date: 23rd February 2026 to 26th February 2025 Venue-Auditorium (Inauguration)/ CSE Lab 4

1. Objectives of the FDP

The primary objectives of the program were:

- To enhance faculty knowledge in semiconductor device fundamentals
- To provide exposure to fabrication processes and layout techniques
- To bridge the gap between academia and industry practices
- To promote research-oriented teaching methodologies
- To encourage innovation in VLSI and semiconductor technology

2. Inaugural Session Highlights

The program commenced in auditorium with the arrival of dignitaries followed by the National Anthem.

Welcome Address was delivered by the Principal, Dr. Jyotirmayee Dalei, emphasizing the importance of emerging semiconductor technologies.

Opening Remarks were given by the Director, Dr. R. S. Sharma, highlighting institutional vision and the significance of faculty upskilling.

Overview of the FDP was presented by Mr. Abhinandan Kumar Pandey, State Head, ICT Academy, outlining the structure and learning outcomes of the program.

The Chief Guest Address was delivered by Managing Director Mrs. Nitu Singh, who shared valuable insights on industry-academia collaboration and technological advancement.

The session concluded with a formal Vote of Thanks proposed by Mr. Rajani Ranjan, Assistant Professor, ECE & Program Coordinator.

4. Participation Details

Total Registered Participants: 34

Total Attendees: 34

Departments Represented: 6

External Participants: 8

5. Key Outcomes of the Program

- Improved understanding of semiconductor device modelling
- Exposure to fabrication process flow
- Enhanced knowledge of layout design tools
- Strengthened industry-academia interaction
- Motivation for collaborative research initiatives

6. Feedback Summary

Participants expressed:

- High satisfaction with the quality of speakers
- Appreciation for practical and industry-oriented content
- Interest in organizing advanced-level workshops in future

Overall feedback rating: 5/5

7. Conclusion

The Faculty Development Program on “Semiconductor Devices, Fabrication & Layout Design” was conducted successfully and achieved its intended objectives. The program significantly contributed to enhancing the academic and technical competencies of faculty members.

The institution remains committed to organizing such knowledge-enriching programs in the future.

Prepared By:

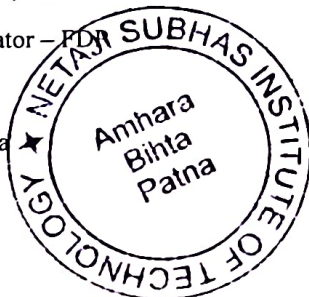

Mr. Rajani Ranjan

Assistant Professor, ECE

Glimpses of Inauguration (23.02.26)

Glimpses of Hands-on in CSE Lab-4 (23.02.26 to 26.02.26)

The hands-on session in CSE Lab-4 was a highly interactive and practical learning experience. It provided students with a real-world understanding of computer science concepts and their applications. The session was conducted by a team of experienced faculty members who guided the students through various hands-on activities and projects. The students were actively engaged and showed great interest in the practical aspects of the course. The session was a success and provided a valuable learning opportunity for all participants.

Glimpses of Valedictory Session (26.02.26)

ICTACADEMY

EXPRESSION OF INTEREST

College Name : NETAJI SUBHAS INSTITUTE OF TECHNOLOGY
Location : PO-AMHARA PS-BIHAR
District : PATNA
State : BIHAR

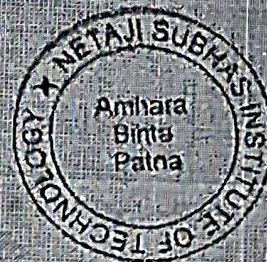

With reference to the communication seeking Expression of Interest from ICT Academy, we hereby confirm our willingness to be an implementation institution for ICT Academy for the the MEITY FDP.

We prefer to get faculty members trained and certified in **Semiconductor Devices and Fabrication and Layout Design**.

We confirm the following.

1. We confirm that our institution will nominate 20 faculty members to attend this program.
2. We allow 20 faculty members from nearby institutions to attend this program.
3. We confirm providing 5 working days - 8 Hours per day of the training schedule and necessary infrastructure facilities for the Live ILT classes and ensure faculty members complete the training on the above-mentioned course.
4. We confirm nominating 1 faculty member as Program Coordinator for the overall coordination and support.
5. We ensure that there will not be any dropouts from the nominated list of faculty members.
6. We confirm to execute this unique MEITY FDP successfully before February 2026.
7. Proposed dates for conducting FDP:
Option 1: From 23/02/2026 to 27/02/2026
Option 2: From 09/03/2026 to 13/03/2026

Director
Netaji Subhas Institute of Technology
Amhara, Birsa, Patna, BIHAR

Subject: Testimonial for Successful Conduct of Faculty Development Program on "Semiconductor Devices, Fabrication & Layout Design".

This is to formally certify that the Faculty Development Program (FDP) on "Semiconductor Devices, Fabrication & Layout Design" was successfully organized by the Department of Electronics & Communication Engineering at Netaji Subhas Institute of Technology, Amhara, Bihta, Patna, Bihar, on 27th February 2026 (23rd February to 27th February)

The program was conducted under the MEITY course framework with the objective of strengthening faculty competencies in semiconductor device fundamentals, fabrication methodologies, and layout design practices. The FDP was designed to bridge the gap between theoretical concepts and industry-oriented applications, thereby enhancing research capabilities and academic excellence.

A total of 34 faculty members actively participated in the program. The sessions were delivered in a structured and outcome-based manner, ensuring comprehensive coverage of technical concepts along with practical exposure.

The institution acknowledges and appreciates the academic collaboration and support extended for the successful implementation of this training program. The overall coordination, resource support, and content delivery were found to be highly satisfactory and impactful for capacity building among faculty members.

We look forward to continued collaboration in organizing such academically enriching programs in the future.

Thanking you.

Yours sincerely,

Dr. Jyotirmayee Dalei

Faculty Development Program in E & ICT Academy Phase II - A Government Initiative by Ministry of Electronics and Information Technology

TRAINING COMPLETION CERTIFICATE

This is to certify that ICT Academy has implemented the "Faculty Development Program In E & ICT Academy Phase II" which is an Initiative of Ministry of Electronics and Information Technology, Government of India.

The "Certificate Course on Semiconductor Devices and Fabrication and Layout Design" was conducted for 40 hours and the training period was from 23-02-2026 to 27-02-2026.

The Trainer was deputed full-time by ICT Academy to deliver the training to 34 registered faculty members from our member institutions and other colleges. The training was highly effective and beneficial for the faculty members, and the training help them to enhance their technical knowledge, which in turn would prepare the students to be industry-ready and their career growth.

Subject: Invoice submission for FDP on Semiconductor Devices, Fabrication & Layout Design.

Invoice No.: JLB-25/0001 (Date: 28-02-2026)

Subject: Invoice for Conduct of Faculty Development Program on "Semiconductor Devices, Fabrication & Layout Design."

Dear Sir,

With reference to the Faculty Development Program (FDP) on "Semiconductor Devices, Fabrication & Layout Design" conducted at Netaji Subhas Institute of Technology, Amhara, Bihta, Patna, Bihar, we hereby submit the invoice for the agreed amount towards the successful organization and implementation of the MEITY course.

The details are as follows:

Name of the Program: Faculty Development Program on Semiconductor Devices, Fabrication & Layout Design

Date/Duration: (23-02-2026 to 27-02-2026)

Number of Participants: 34

Amount Payable: ₹ 45000.00

GST (If applicable): ₹ 2250.00

Total Amount: ₹ 47250.00

Kindly arrange to release the payment in favour of:

Account Name: Netaji Subhas Institute of Technology

Bank Name: Punjab National Bank

Account Number: 20011091000019
