Subject: Clarification on non-receipt of financial aid for research project.

Respected Sir,

With reference to above subject matter, we would likely to say we diligently undertake the accreditation process with NAAC, we wish to draw your attention to a distinctive characteristic of our institution, namely NSIT our status as a private unaided institution. Unlike publicly funded institutions, NSIT does not receive financial assistance/aid from government or NGO for research projects.

Given this context it is imperative for us to highlight that the absence of financial aid for research projects does not diminish our commitment to scholarly pursuits and academic excellence. Rather we have leveraged internal resources and fostered collaborations with industry partners to facilitate research activities across various disciplines.

In light of the foregoing, we respectfully request NAAC's understanding and consideration of our unique circumstances regarding the non-receipt of financial aid for research work.

We request you kindly consider for the same.

Yours sincerely
