Circular

We are delighted that our Computer Science Department is pleased to announce the commencement of five-days **Aptitude Training Program** aimed at enhancing your problem-solving and analytical skills. The program is designed to provide you with valuable insights into the aptitude skills required for success in competitive exams, placements, and various technical interviews for students by Archie Jackson (senior director, cl educate Ltd). This session will be held from 25th November 2019 to 29th November 2019 at seminar hall. All students of 5th semester and 7th semester are mandatory to participate this important session.

Aim:-

Comprehensive Coverage: The program will cover a wide range of aptitude topics, including but not limited to quantitative aptitude, logical reasoning, and verbal ability.

Expert Guidance: Sessions will be conducted by experienced faculty members with expertise in aptitude training. They will provide valuable tips, tricks, and strategies to help you approach different types of aptitude questions effectively.

Practice Sessions: Regular practice sessions and mock tests will be organized to help you apply the concepts learned and improve your time management skills.

Interactive Learning: The program will include interactive sessions, group discussions, and Q&A sessions to ensure active participation and a better understanding of the concepts.

Feedback and Assessment: Continuous feedback and assessment will be provided to track your progress and identify areas for improvement.
