Sub: - Regarding clarification for non-matching of final year students with IIQA filled up by our Institution

Respected Sir,

With due respect regarding the above subject matter we might want to explain that Bachelor of Business Administration (BBA) and Bachelor of Computer Application (BCA) is typically a three year program, which is offering since the Academic year 2022-23.

So, the passing of numbers for BBA & BCA programs are still in progress. Hence we have not provide information which affected the program and pass out students mismatching with IIQA.

We look forward to your support and interaction in the future.

Your Sincerely

Director
