Description of mentoring system:

Mentoring and counselling are planned for the following aspects

1. Faculty Mentors:

- A group of 16-20 student is allotted with a faculty as a mentor who take care of the student as faculty advisors and play the role of close monitoring of the student in both academic and personal mentoring.
- The role of Faculty advisors relies in giving supports to students in academic, professional and personal issues and challenges.
- Based on student's interest and understanding family commitments, they are directed for either placements, higher studies and entrepreneurship.
- Faculty mentors maintains a book which contains the following details of the wards
 - Personal Information
 - Educational details
 - Counselling schedules
 - Meeting with parents
 - Suggested plans to improve academic performance
 - Suggested & completed skill development and value added courses
 - Placement training details
 - Attendance details
 - Paper presentation & project details
- Faculty mentors gives guidelines & directions for the above mentioned items

2. Class Advisors

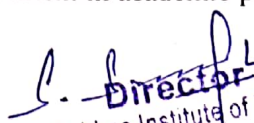

- Class Advisors identify the fast and slow learners in consultation with the course teachers.
- Class Advisors prepare the result analysis of each sessional and monitor the continuous improvements
- Class Advisors ensures the availability of course plan, materials, simplified notes, flipped contents, etc, for the slow learners.
- The Class Advisor also maintains a regular contact with parents/guardians of their wards and updates them about the student's performance.

3. Head of Department

- Head of the department (HOD) plays a vital role in the student faculty systems where he acts as an authoritative support to the student and meets student once in a month or based on the need.
- Effective feedback is collected from students to finalize value added and skill development courses.
- To ensure higher placements, special counselling is given to the students by HOD.

Efficacy of mentoring/counselling system:

- The faculty mentoring system shows a drastic improvement in academic performance of the student.
- The student's attendance is also Improved.

Director
