About NSIT Bihta, Patna

Netaji Subhas Institute of Technology, Bihta, Patna is a premiere and prestigious private engineering institute in Bihar. It is two kilometers away from Bihta Railway Station, has been established at Amhara in Patna district. It is approved by ACITE, New Delhi and recognized by Department of Science & Technology, Government of Bihar, affiliated to Aryabhata Knowledge University Patna and State Board of Technical Education, Patna. The institution is ISO 9001:2008 Certified. NSIT has the huge infrastructure of approximately 4 lakh sq. ft of Land at Amhara, Bihta, Patna. It imparts 4 years B.Tech courses in CSE, ECE, EEE, ME and CE. NSIT has made a progressive development in attracting students from across the state and outside the state along with competent and experienced faculty members to maximize quality education and training inputs most effectively.

About Event

The main motive of the State Student Convention is to bring out the competitive skills of students from within themselves and participates among different technical and cultural competitions. It acts as a forum for exchanging the technical innovative concepts and emphasizing the role of students in converting intelligence with excellence.

About CSI & CSI Student Branch, NSIT

The Computer Society of India (CSI) is the first and largest body of computer professional in India. It was started in India on 6th March 1965 by a few computer professionals and has now grown to be the national body representing computer professional. CSI is a non-profitable professional society and meet to exchange views and information learn and share ideas. Its mission is to facilitate research, knowledge sharing, learning and career enhancement among all categories of IT professionals. Today, the CSI has 70+ chapters all over India, 550+ student branches, and more than 1,10,000 members.

CSI Student Branch, NSIT was inaugurated on 13th May 2017. Currently it has more than 150 student members. This CSI student branch regularly organizes various events like Expert Lectures, Workshop, Seminars, Industrial visits and other technical activities for learning.
