7.1.3 Quality audits on Environment and energy regularly undertaken by the institution. The institutional environment and energy initiatives are confirmed through the following

3. Clean and Green campus initiatives

In order to encourage sustainable and eco-friendly activities in the campus, NSIT envisions a Clean and Green Campus where green initiatives and education work together. The idea of a "green campus" gives the NSIT a chance to redefine its environmental culture by giving staff and students a strong sense of environmental ethics. The Institute also encourages a clean and green campus by encouraging staff and students to adopt, practice, and promote eco-friendly behaviours in order to raise awareness of environmental issues both within the campus community and beyond.

The following initiatives are taken by the students & staffs to initiate Clean & Green Campus:

- a. Plastic free campus
- b. Students are instructed to utilize college or public transport to reach college.
- c. Students residing in hostels are strictly advised to use bicycles as a mode of transportation within and off campus.
- d. Up to certain limit within campus vehicles are allowed.
- e. Vehicles parking are permitted in the allotted parking area only.
- f. Institution supports all the environment guidelines by the government.
- g. Time to time tree plantation drive takes place in the campus.
- h. Guiding students about the importance & effective way of farming.
