Activity Report

Name Of The Event : A seminar on "Importance of IPR and its Protection"

Date : 26/04/2024 & 27/04/2024

Netaji Subhas Institute of Technology (NSIT) organized a two-day seminar on "The Importance of Intellectual Property Rights (IPR) and Its Protection" on the 26th and 27th of April 2024. The event aimed to educate students, faculty, and stakeholders about the critical role of IPR in fostering innovation, safeguarding creativity, and contributing to economic growth. With an array of interactive sessions, expert talks, and hands-on workshops, the event was a resounding success.

Day 1: 26th April 2024

1. Inaugural Session

- The event began with a ceremonial lamp lighting and a welcome address by Dr. Meena Sharma, the Principal of NSIT. She emphasized the significance of IPR in the modern era and highlighted NSIT's commitment to fostering awareness about it.
- The keynote address was delivered by Mr. Rajesh Gupta, an IPR consultant and advocate, who outlined the fundamentals of IPR and its relevance in academia and industry.

2. Panel Discussion: "IPR in the Digital Age"

- A panel comprising industry experts, legal advisors, and academicians deliberated on the challenges and opportunities associated with IPR in the digital domain. Topics discussed included copyright issues in online content, patent trolling, and the role of Artificial Intelligence in intellectual property.
- The session was interactive, with attendees raising questions about real-life scenarios.

3. Workshop: "Filing for Patents"

- Conducted by Ms. Priya Nair, a patent attorney, the workshop provided a step-by-step guide on drafting, filing, and managing patent applications. Participants also learned about common pitfalls to avoid during the filing process.

Day 2: 27th April 2024

Director
Netaji Subhas Institute of Technology
Amhara, Bihta, Patna, Bihar
PIN-801106

1. **Technical Session: "Protecting Start-Up Innovations"**

- This session focused on strategies for start-ups to safeguard their innovations. Mr. Anil Joshi, a venture capitalist, shared insights on the importance of protecting trademarks, trade secrets, and patents to enhance market competitiveness.

2. **Case Study Analysis**

- Attendees were divided into groups and given real-world cases involving IPR disputes. Teams analyzed and presented solutions, which were evaluated by a panel of experts. This activity encouraged critical thinking and practical application of theoretical knowledge.

3. **Valedictory Session**

- The event concluded with a summary of the two days, delivered by Dr. Arvind Rao, Head of the Department of Legal Studies at NSIT. Certificates of participation were distributed to attendees.
- In her closing remarks, Dr. Sharma thanked the organizing team and participants, reiterating the importance of continuous learning and vigilance in the domain of IPR.

Outcomes:-

- Understanding the basics and categories of IPR, including patents, copyrights, trademarks, and trade secrets.
- Practical insights into the patent filing process and the significance of protecting intellectual assets in the digital age.
- The role of IPR in fostering innovation and its importance for start-ups and businesses.
