Respected Sir,

We are writing to express our sincere appreciation for your proactive involvement and motivation regarding NAAC accreditation of affiliating institutions.

As a part of our ongoing commitment to maintain and improve the quality of education, we are intended to reach out to request feedback initiative for upcoming NAAC accreditation process.

We believe that feedback initiation will greatly contribute to our continuous betterment efforts. It will not only help us in identification of strength areas but also areas where we can further improve to better serve our students and stakeholders.

Rest assured, the feedback received from the stakeholders (students, parents, employer and alumni) will be carefully analyzed and utilized in accreditation strategy and initiatives.

We look forward to continued collaboration and interactions in the future.
