In the terms of Social welfare, awareness and Educational message to the Youth, up gradation and social changes of Narrow mindset and view to benefit of economically & educationally Backward Classes/marginal people of the Society, **Netaji Subhas Institute of Technology, Bihta** started its Community Outreach Program from academic year 2018-2019 that would ensure the actively participation of Students as well as Teaching and Non-Teaching Staffs in various activities that lie ahead and fulfillment of the Mission and Vision of our member Secretary of the Institute.

Under the outreach program various activities were shaped to engage & nurture the Students to be able himself for facing various social challenges comes time to time in their whole life as educative people of the society. The program was designed to engage our students' in-service community activities through joining hands with Volunteers of Institute Level including Students, as well as Few Faculties for participating in various community oriented beneficial program supported by **NSIT, Bihta** Campus.

The Main objective of the program was to identify the social issues and after that with the help of our volunteers we deliver our efforts towards fulfillment of the objective like as to conduct Awareness Programme , Social Messages as a responsible citizen of our country.

This type of program on regular intervals enables the student to associate and connect to the requirement faced by the people in the community while day to day life activities. Our Volunteers play vital role to execute and support towards basic necessities such as Shelter, Food, Clothing, employment opportunities and Medical Checkup Camp, Awareness program on any social topic to motivate the parents who wish to educate their child and make a professional engineers , doctors in limited resources or How can they avail various government sponsored scholarships time to time. As institute level NSIT also provide the assistance to students through formed separate Guidance Cell.

Outreach programs develop the trustworthy and fruitful relationship; Students can strive to motivate also and explore their opinion and meet the new challenges to work towards overcoming the life situations.

In addition to the impact of this outreach programs it is considered to be guiding force to the students for adopting their social responsibilities, Students gains the working environment as a team member and no doubt it helps for their career growth and sustainability in their associated organization!
