**NAME OF THE EVENT:**  
NATIONAL SCIENCE DAY

**DATE OF THE EVENT:**  
28<sup>TH</sup> FEBRUARY, 2026

**ORGANIZER OF THE EVENT:**  
NSIT COLLEGE, BIHTA, PATNA

## INTRODUCTION

*"Scientific knowledge and innovation are the pillars of a progressive and sustainable society."*

Every year, **National Science Day** is celebrated on 28 February across India to commemorate the historic discovery of the Raman Effect by the eminent Indian Physicist Sir C. V. Raman, for which he was awarded the Nobel Prize in Physics in 1930. This day stands as a tribute to India's rich scientific legacy and serves as an inspiring occasion to foster scientific temper, innovation, and curiosity among students, researchers, and the wider community. It encourages young minds to explore the wonders of science and highlights the vital role of scientific inquiry and technological advancement in shaping a progressive and sustainable future.

With the aim of encouraging scientific creativity and fostering technological awareness among students, NSIT college, Bihta, Patna celebrated National Science Day on 28 February 2026 in the college campus. The celebration included a variety of intellectually stimulating events such as a Project Exhibition, Poster Presentation, Hackathon, and Technical Quiz Competition. Students from different departments (B.Tech, BBA, BCA and Diploma) and from various schools nearby enthusiastically participated and

Netaji Subhas Institute of Technology  
Amhara, Bihta, Patna

presented innovative ideas and scientific concepts. The competitions were evaluated by external judges, and winners were awarded prizes, medals, and trophies.

### INAUGURATION OF THE EVENT

The event commenced with a formal inauguration ceremony held at the college campus in the gracious presence of our respected Managing Director of NSIT, Mrs. Nitu Singh, Honourable Director, Dr. R. S. Sharma, Principal, Dr. J. Dalei and the Registrar (Finance) Pawan Singh, along with all HODs, faculty members, invited judges and enthusiastic college and school students.

### INAUGURAL CEREMONY: GRACED BY ESTEEMED DIGNITARIES AND JUDGES.

Their esteemed presence added dignity and honour to the occasion, making the inauguration truly memorable. Each dignitary played a significant role in guiding and supporting the seamless organization of the event, reflecting their dedication and commitment to excellence. Their leadership and vision continue to inspire the institution towards excellence in academics and innovation. The occasion was further enriched by their valuable presence, reflecting the strong foundation and progressive outlook of the institution.

Netaji Subhas Institute of Technology  
Amhar, Bihta, Patna

The ceremony began with the traditional lighting of the lamp, symbolizing the illumination of knowledge, followed by a soulful Saraswati Vandana, which created an auspicious and inspiring beginning to the celebration.

The dignitaries warmly welcomed the judges, felicitated them and addressed the students and participants of schools and colleges, emphasizing the importance of scientific research, innovation, and critical thinking in today's rapidly advancing world.

In their inspiring speeches, they encouraged students to nurture curiosity, embrace scientific thinking, and actively participate in such platforms that promote creativity and innovation. Their words motivated the students to come forward with enthusiasm, explore new ideas, and contribute meaningfully to the advancement of science and technology.

The event witnessed enthusiastic participation, with an atmosphere filled with energy and intellectual excitement. The inauguration beautifully reflected a blend of tradition and modern scientific outlook, setting a positive tone for the events ahead.

Emphasis was placed on interdisciplinary learning and the practical application of knowledge to real-world challenges. The presence of esteemed guests added prestige and motivation for all participants.

The session concluded on an inspiring note, igniting curiosity and enthusiasm among students and paving the way for a day of learning, competition, and innovation.

## KEY MOMENTS OF THE EVENTS

### 1. PROJECT EXHIBITION (WORKING MODEL COMPETITION)

One of the major highlights of the celebration was the **Project Exhibition**, where students from schools and colleges presented and displayed innovative working scientific models related to science and technology, explaining the working mechanisms and real-world relevance of their projects.

### SHOWCASING YOUNG SCIENTIFIC MINDS

The models were evaluated by external judges based on innovation, practical implementation, clarity of explanation, and scientific relevance. The exhibition attracted significant interest from students and faculty members who visited the stalls and interacted with the participants.

### 2. POSTER PRESENTATION

Another engaging segment of the event was the **Poster Presentation Competition**, where students creatively illustrated scientific ideas through visual communication.

The poster themes included:

- AI and Machine Learning in Daily Life
- Role of Science in Sustainable Development
- Renewable Energy Technologies
- Space Technology: From Chandrayaan to Gaganyaan

Netaji Subhas Institute of Technology  
Amhara, Bihta, Patna

### INNOVATIVE MINDS ON DISPLAY: A GLIMPSE OF THE POSTER PRESENTATION

The poster presentation session witnessed enthusiastic participation from students across different departments.

Participants effectively combined scientific knowledge with creativity to present informative and visually appealing posters. The judges appreciated the originality, clarity, and scientific relevance of the topics presented by the students. Winners were awarded medals and trophies in recognition of their efforts.

Ambhara, Sihta, Patna

### 3. HACKATHON COMPETITION

The Hackathon challenged students to apply their problem-solving skills and technological knowledge to develop innovative solutions within a limited time. Participants worked in teams to design and present ideas related to modern technological challenges. The competition encouraged teamwork, analytical thinking, and creativity. The winners were presented with prize money.

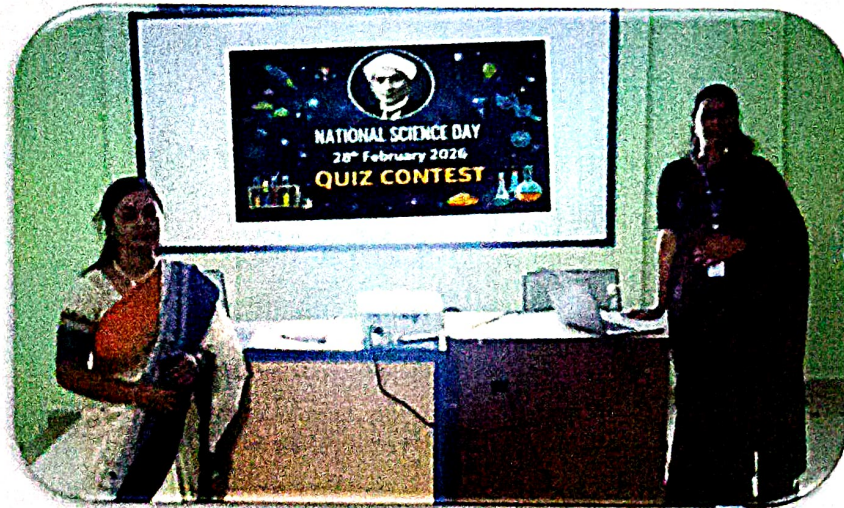

#### FROM IDEAS TO IMPACT- HACKATHON MOMENTS

Principal  
Netaji Subhas Institute of Technology  
Amhara, Bihta, Patna

#### 4. TECHNICAL QUIZ COMPETITION

The **Technical Quiz Competition** served as an exciting platform to test the scientific knowledge, awareness, and analytical thinking of the students. The quiz covered a wide range of fascinating topics, including *Modern Science, Space Science, and Recent Scientific Advancements*, encouraging participants to stay updated with the rapidly evolving world of science and technology.

TESTING MINDS, CELEBRATING KNOWLEDGE

The competition created an atmosphere of enthusiasm, curiosity, and healthy competition among the students. Participants showcased remarkable knowledge and quick thinking while answering challenging questions. The most outstanding performers were recognized and honoured with medals and trophies, celebrating their excellence and scientific spirit.

## BUDDING SCIENTISTS: SCHOOL STUDENTS AT SCIENCE DAY

School students from nearby institutions viz. NSPS, Bihta, KV- IIT, Bihta Public School, The Bishop Heritage and St. TERESA, were cordially invited by NSIT college to participate in the celebration of Science Day held in the campus. They enthusiastically displayed their innovative science projects and models, which added great vibrancy to the event. Their participation not only provided them with an opportunity to showcase their creativity and scientific curiosity but also created a platform for interaction between school and college students. The initiative taken by NSIT, Bihta aimed to encourage young minds to develop interest in scientific thinking and research from an early stage.

These documents attached, record the participation of students from NSIT college in different events organized on National Science Day 2026. The overwhelming response reflects a growing interest in scientific thinking and innovation. We extend our gratitude to all participants for making the event meaningful and engaging.

Such initiatives play a vital role in nurturing future innovators and researchers.

The institution remains committed to promoting scientific temperament through similar activities in the future.

## **PRIZE DISTRIBUTION CEREMONY**

The science celebration at NSIT, concluded with the **Prize Distribution Ceremony**, where winners from various competitions were felicitated for their outstanding performances.

*Prizes included:*

- ₹5000 for *Project Exhibition Winner*
- ₹3000 for *Project Exhibition Runner-up*
- ₹3000 for *Hackathon Winner*
- *Medals and Trophies* for poster and technical quiz competition winners

The events were evaluated by a distinguished panel of judges:

**Mr. Gopal Krishna, Assistant Professor, GEC Munger**

**Mr. Chandan Kumar, Assistant Professor, GEC Bhojpur**

**Dr. Shiv Kumar Choubey, Assistant Professor, BIT Patna &**

**Mr. Faiz Ali Ahmed, Founder Career Scaling.**

They carefully assessed the project exhibitions, poster presentations, and other activities based on criteria such as innovation, scientific understanding, and quality of presentation.

The judges congratulated the participants and appreciated the innovative ideas presented by the students. They encouraged the students to continue exploring scientific concepts with curiosity and creativity. They also highlighted the importance of such platforms in nurturing scientific temperament and motivating young minds to pursue innovation and research in the future.

## CONCLUSION of the SCIENCE DAY EVENT:

The celebration of National Science Day at NSIT, Bihta, Patna was a majestic success. The event provided a vibrant platform for students to demonstrate their scientific creativity, technical understanding, and innovative ideas. Various engaging activities were organized to encourage students to actively participate and explore the fascinating world of science and technology. The participation of school students greatly enriched the event. Their innovative projects and enthusiasm for science reflected immense potential and promise for the future of scientific exploration and learning.

### OUTCOMES OF THE ACADEMIC CARNIVAL

#### 1. PROJECT EXHIBITION

- Encouraged students from schools and colleges to transform theoretical knowledge into practical models and working prototypes.
- Enhanced creativity, problem-solving skills, and scientific thinking among participants.
- Provided an opportunity for students to present and explain their ideas confidently.

#### 2. POSTER PRESENTATION

- Helped students visually communicate scientific concepts and research ideas effectively.
- Improved students' ability to summarize complex scientific topics in a clear and engaging manner.
- Promoted awareness of contemporary scientific developments and social applications of science.

#### 3. HACKATHON

- Fostered teamwork, innovation, and technical problem-solving abilities among students.
- Encouraged participants to develop creative technological solutions within a limited time frame.
- Strengthened programming, analytical, and collaborative skills.

Principal  
Netaji Subhas Institute of Technology  
Amhara, Bihta, Patna

#### 4. TECHNICAL QUIZ COMPETITION

- Tested the scientific knowledge, awareness, and quick thinking of the participants.
- Motivated students to stay updated with modern scientific advancements and discoveries.
- Created an atmosphere of enthusiasm, healthy competition, and intellectual engagement.

The event concluded with heartfelt appreciation for all the participants, judges, organizers, and volunteers whose dedication and enthusiastic involvement made the celebration both meaningful and inspiring.
